## About Us

Zia International is a pioneering educational organization driving reform in Indian school education. Our flagship institution is located in Electronics City, Bangalore, with the primary goal of establishing a STEM-focused Center of Excellence. Our vision extends to replicate this model in other cities such as Hyderabad, Mumbai, Delhi, and Lucknow in the coming five years.

## VISION

To provide value-based quality education and make Zia International a Centre of Excellence for Mathematics, Science, and Humanities to make school education more relevant to today's competitive environment.

## MISSION

To inculcate innovative and critical thinking through an extra emphasis on Mathematics, Science, and Humanities through time-bound, step-by-step completion of the syllabus with various revision modules and rigorous assessments.

## Integrated Curriculum

Committed to excellence, we offer integrated coaching for IIT-JEE, NEET, and OLYMPIAD starting from 6th standards, all under one roof. By meticulously covering approximately 75% of the IIT-JEE and NEET syllabus by class 10th, we ensure our students are well prepared to become future rankers in these competitive examinations.

## STEM Excellence

Showcase the school's emphasis on Science, Technology, Engineering, and Mathematics (STEM), providing students with not only a robust foundation in these disciplines but also advanced proficiency in problem-solving. This holistic approach not only cultivates critical skills essential for the future but also ignites a fervent passion for innovation.

## Holistic Development

Our commitment extends beyond academics, prioritizing holistic development. We focus on achieving academic excellence, instilling strong character, and ensuring the overall well-being of our students. Programs encompass physical fitness, arts, and diverse extracurricular activities, providing a factually sound and comprehensive educational experience.

## Curriculum and Pedagogy

In addition to delivering the standard CBSE curriculum, we will concurrently implement an advanced supplementary curriculum. This supplementary program, meticulously crafted by our expert team, aims to address any shortcomings inherent in the conventional CBSE or state board curriculum.

Our commitment extends to reshaping the landscape of school education in India. Our experts are dedicated to formulating an integrated curriculum that guarantees career security, fosters skills development, instills character, and promotes intellectual growth in the young minds poised to become the leaders of tomorrow.
