Vision & Mission

❖ Vision

To become the nation's most trusted and result-oriented coaching institute, shaping the brightest minds of tomorrow by consistently producing top ranks in IIT-JEE and NEET.

❖ Missions

1. Empowering Every Aspiring Student

Provide unparalleled coaching and mentorship to every aspiring IIT-JEE and NEET student.

2. Curriculum with Conceptual Clarity

Deliver meticulously designed and student-centric curriculum to foster conceptual clarity and problem-solving skills.

3. Expert-Led Teaching Excellence

Employ the best teaching methodologies, driven by a team of expert educators with proven success records.

4. Nurturing Curiosity and Grit

Create an environment that encourages curiosity, perseverance, and critical thinking to help students achieve their maximum potential.

5. Pursue Excellence in All Aspects

Commit to continuous improvement in teaching, learning, and overall student development.

⌘ Who We Are

We are a passionate team of IITians, engineers, and doctors who have chosen education as our life's purpose. With years of experience mentoring students for JEE and NEET, we've come together with one goal — to create a learning environment where students are guided, inspired, and empowered to reach their full potential.

What makes us unique is not just our academic background, but our belief in combining strong mentoring with smart use of technology. From thoughtfully designed study plans to regular performance tracking and personalized feedback, we use innovation to ensure that no student is left behind.

We understand the journey because we've walked it ourselves. We know the stress, the ambition, and the hard work these exams demand. That's why we focus not just on teaching concepts, but on building confidence, consistency, and clarity.

At the heart of our academy is a culture of care, commitment, and excellence. We are not just educators — we are partners in every student's success story.

Opening Doors to a Brighter Tomorrow

Dear Principal and Educators,

I write to you today not just as the director of an academic institution, but as someone who deeply understands the weight of responsibility you carry — the responsibility of shaping young minds and securing their future.

In today's fast-paced and competitive world, we can no longer rely on good intentions alone. Our students deserve the best of both worlds: a nurturing school environment and expert guidance that prepares them for challenges like JEE and NEET — the gateways to the most prestigious engineering and medical institutions in our country.

But this level of preparation cannot be left to chance. It needs the right systems, the right mentors, and above all, a shared vision. That's where we come in.

We believe that when educators collaborate, students win. We don't just aim to coach students; we aim to empower them, support the schools they belong to, and walk hand-in-hand with school leaders who want nothing but the best for their children.

I warmly invite you to visit us — see the systems we've built, meet our faculty who care deeply, and understand how we can work together to transform aspirations into achievements.

Let's build this new chapter — together.

Warm regards,

Mobashshir Syed Alay
Director
ZIA Academy

⌘ What Sets Us Apart

01 Team of Rank Producing Educators

A team of esteemed faculties that bring a wealth of knowledge, experience and passion to the classroom, empowering students to achieve their full potential.

02 Personalized Learning Approach

Every student is unique, and our programs are designed to cater to individual learning styles and aspirations.

03 Comprehensive Study Material

Exclusively designed, updated study material with well-structured theory and multi-level practice questions.

04 Unique Testing Approach

Weekly tests, revision tests and grand tests to gauge problem solving skills and student performance along with proper analysis to improve.

❖ Why Choose ZIA Academy?

- Backed by a team of IITians, doctors, and experienced educators with a strong track record in JEE and NEET coaching
- Structured curriculum and scientifically designed study material focused on conceptual clarity and problem-solving.
- State-of-the-art classrooms, regular assessments, and performance tracking to ensure consistent academic growth.
- A supportive learning environment that nurtures discipline, motivation, and a competitive spirit in every student.
- Career guidance and personalized mentoring to help students make informed decisions about their future pathways.

Modern Classrooms

Our classrooms are equipped with state-of-the-art technology, including smart boards, high-speed internet, and ergonomic furniture, ensuring an engaging and comfortable learning experience.

Science and Technology Labs

ZIA boasts advanced laboratories for physics, chemistry and biology. These spaces encourage hands-on experiments and deepen conceptual understanding of the various concepts.

Library and Digital Learning Hub

Our library houses an extensive collection of books, research materials, and digital resources. It is a quiet sanctuary for focused study and collaborative projects, complemented by online learning tools.

Healthy Dining Space

We offer clean, well-maintained dining areas serving nutritious, balanced meals that support students' physical well-being and energy throughout the day.

Green Spaces

ZIA is proud to feature eco-friendly green spaces, including gardens and outdoor study areas, promoting sustainability and environmental awareness.

Student Common Areas

From study lounges to cafeteria spaces, we offer vibrant common areas where students can relax, collaborate, and socialize.

Sports and Fitness Facilities

Our Academy promotes physical well-being with facilities like:

- A multi game indoor play area.
- Outdoor fields for soccer, basketball, and badminton.
- A swimming pool
- Regular fitness and wellness programs.

ZIA Academy offers a dynamic curriculum that seamlessly integrates school education with top-tier coaching for competitive exams like JEE and NEET.

Core Programs

Engineering Classroom Program

2 years Intensive Classroom Program designed for JEE

JEE Repeater Program

1 year Intensive Classroom Program designed for JEE droppers.

Medical Classroom Program

2 years Intensive Classroom Program designed for NEET

NEET Repeater Program

1 year Intensive Classroom Program designed for NEET droppers.

Foundation Classroom Program

3 years Intensive Classroom Program designed for Class 8th, 9th and 10th.

❖❖ Why Partner With ZIA?

Liberalisation in the 1990s redefined education, creating a job market driven by specialised skills. This shift resulted in students' knowledge being increasingly assessed through competitive exams for professional studies.

This trend led to the rise of coaching hubs in Kota during the 1990s, corporatisation of coaching institutes in the 2000s, and the integration of coaching with schools in the 2010s.

At ZIA, we embrace this competitive spirit, aiming to lead next-generation education by augmenting the CBSE curriculum with a specially designed Science and Mathematics curriculum.

This curriculum is structured in four milestones, thoughtfully curated to align with the mental capabilities and analytical skills of the students at each age level. This programme builds strong academic foundations, preparing students for JEE/NEET.

We provide specialized preparation for competitive exams to help students enter professional studies. Our carefully designed curriculum not only enhances their educational experience but also ensures a smooth and strong foundation for their future learning journey.

As a Centre of Excellence, ZIA is led by experts from corporate and academic backgrounds, ensuring seamless augmentation of CBSE content with a specialized curriculum focused towards competitive exams. Our in-house augmented approach is the future of schooling, and we are proud to lead this innovative path.

❖ Student Testimonials

I dedicate my success to Syed Sir. He was always there to clear my doubts and guide me whenever I needed help. According to me, Syed Sir is the ideal example of what a teacher should be — supportive and motivating. His way of explaining concepts made even tough topics easy to understand.

Sarthak Mehrotra
IIT Bombay, AE

I have studied under Syed Sir. It's safe to say that he's a great teacher. He explains every doubt clearly, even the simple ones, and makes sure we understand. His way of teaching always made learning easier for us. I always felt confident after his classes because he never left any question unanswered.

Dishita Pagotra
M.B.B.S, AIIMS

"Syed Sir is one of the best teachers I've ever had. I owe a lot of gratitude to his teaching for helping me reach where I am today. His guidance and constant support made a huge difference in my preparation and confidence. He always encouraged me to aim higher and never give up, even when things felt tough."

Vyaas Subramaniam
I.I.Sc Bangalore

My teachers were really great, especially Revanth Sir. His dedication and support gave me the confidence to tackle even the toughest questions. If you're preparing for JEE, I'd definitely recommend joining teachers like him — they genuinely care about students and guide you at every step.

Pavithra
NIT Trichy, ECE

Syed Sir was my teacher during NEET preparation. Everything was taught in a way that connected to logic, which made physics so much easier for us. It helped us understand concepts quickly and prepare better for exams. This approach really boosted our confidence during preparation and made learning enjoyable.

Kavyanjali Jorige
JIPMER, Pondicherry

I studied chemistry from Revanth Sir during my JEE Preparation. His dedication is the best. Whenever I felt low or lost hope, his words motivated me and kept me moving forward. His belief in us gave me the confidence to push my limits and work harder. Thank you, sir — you've always been a great support.

Harini Shakti
IIT Madras, EE

**These are their words –
Tomorrow, it could be yours!**

⚙ Masters of Excellence

Mobashshir Syed

Engineering graduate; completed Executive Management Programme at IIT Delhi.

- 13+ years of experience having produced multiple 3 digit ranks in JEE Advanced.

Revanth Kumar

Holds B.Tech-M.Tech Dual Degree from IIT-Dhanbad

- 13+ years of experience having produced several ranks under 100 in JEE advanced.

Randhir Kumar

Holds B.tech Degree from IIIT-Allahabad

- 20+ years of experience having produced several IITians and NITians.

Ankit Kumar

Holds M.Sc Degree from IIT Delhi

- 5+ years of experience having produced multiple ranks in JEE / NEET.

Kavitha C.S

Holds M.Sc Degree

- 12 years of experience in renowned institutes.

Dr. Almas Rahman

Bachelor in Dental Surgery

- 6 years of experience

ZIA Academy is dedicated to providing opportunities for students to achieve their full potential, regardless of financial background. Through our scholarships and financial aid programs, we support bright, passionate, and driven students in their academic journey.

Scholarship

❖ Scholarships Available

01 ZIA Scholars Elite

Score 80% and above.

- 100% coaching fee waiver
 - 100% hostel fee waiver
-

02 ZIA Excellency

Score 65% and above.

- 50% coaching fee waiver
 - 50% hostel fee waiver
-

03 ZIA Merit Advantage

Score 50% and above.

- 25% coaching fee waiver
 - 10% hostel fee waiver
-

Our Products

Synergy Core *Boards + JEE/NEET*

Offline Classes

INTEGRATED CURRICULUM

A seamless integration of Physics, Chemistry, Math and Biology for JEE/NEET and board. Our expert faculty ensures:

- Complete alignment with the school board's syllabus.
- Rigorous preparation for JEE and NEET, targeting top-tier results.
- Tailored teaching strategies to bridge the gap between board exams & competitive exams.

Batch Detail

- 60 students across 11th and 12th grades to initiate the program.
- 120 students for a comprehensive week long program.

BOARDS + NEET

Subjects

Physics, Chemistry, Botany & Zoology

Schedule

1.5 hours per subject
6 hours per day
3 days a week

BOARDS + JEE

Subjects

Physics, Chemistry & Maths

Schedule

1.5 hours per subject
4.5 hours per day
3 days a week

Synergy Focus *JEE/NEET*

Offline Classes

AFTER/PRE SCHOOL COACHING

Comprehensive coaching for JEE and NEET aspirants. Delivered either after school hours or before school starts, this program ensures the coaching does not interfere with the school programs. Our expert faculty ensures:

- In-depth Conceptual Clarity from Basics to Brilliance.
- Regular Performance Tracking ensured through tests, assessments, and feedback loops.

Batch Detail

- 60 students across 11th and 12th grades to initiate the program.

BOARDS + NEET

Subjects

Physics, Chemistry,
Botany & Zoology

Schedule

3 hours intensive class
1 subject per day
4 days a week

BOARDS + JEE

Subjects

Physics, Chemistry &
Maths

Schedule

3 hours intensive class
1 subject per day
3 days a week

Non-Uniform Circular Motion

$$= \sqrt{\left(\frac{v^2}{r}\right)^2 + \left(\frac{dv}{dt}\right)^2}$$
$$=$$

Virtual scholar-Live Boards + JEE/NEET

Online Classes

LIVE JEE/NEET MASTERY

The unique online program integrates both, board and JEE/NEET syllabus preparation, offering a complete solution for schools and students alike. A few key points of the program:

- **Real-Time Interaction .**
Students can ask questions and clarify doubts live.
- **Individual Attention .**No more than 50 students in a live class to ensure personalised attention.
- **Convenient Scheduling .**
Classes held during school hours.

Batch Detail

- 15 students across 11th and 12th grades to initiate the program.

BOARDS + NEET

Subjects

Physics, Chemistry,
Botany & Zoology

Schedule

1.5 hours per subject
6 hours per day
3 days a week

BOARDS + JEE

Subjects

Physics, Chemistry &
Maths

Schedule

1.5 hours per subject
4.5 hours per day
3 days a week

Rank Edge

JEE/NEET Exam Series

DATA DRIVEN TESTING

A few key points of the program:

- **A rigorous mix of weekly and cumulative tests**
- **OMR-Based Evaluation**
Schools simply scan and send — our system handles the rest.
- **Detailed Performance Reports** Comprehensive analytics at student, class, and school levels to track progress and identify weak areas.
- **Time-Saving for Schools**

Batch Detail

- 15 students across 11th and 12th grades to initiate the program.

BOARDS + NEET

Subjects

Physics, Chemistry,
Botany & Zoology

Schedule

1 Test/ week
1 Cumulative /3 weeks

BOARDS + JEE

Subjects

Physics, Chemistry &
Maths

Schedule

1 Test/ week
1 Cumulative /3 weeks
