

Zia International School

Nurturing Excellence...

Academic Year 2026 – 27

Centre of Excellence
Electronics City, Bangalore

About Us

Zia International is backed by the legacy of Zia Semi — trusted in the semiconductor industry for nearly 15 years. Built on excellence, innovation, and ethical leadership, this same spirit and passion to shaping the future of education. Founded by visionaries with roots in science, technology, and leadership, we blend academic rigour with real-world relevance. Our legacy of precision and foresight now guides how we build young minds.

Vision

To provide value-based quality education and make Zia International a Centre of Excellence for Mathematics, Science, and Humanities to make school education more relevant to today's competitive environment.

Mission

To inculcate innovative and critical thinking through an extra emphasis on Mathematics, Science, and Humanities through time-bound, step-by-step completion of the syllabus with various revision modules and rigorous assessments.

Schooling Augmented

We seamlessly augment the CBSE framework with our enriched curriculum, placing a strong emphasis on Science, Technology, Engineering, and Mathematics (STEM). This empowers students with a solid academic foundation and advanced problem-solving skills, while also sparking creativity, innovation, and future-ready thinking. Dedicated to sustained excellence, we provide augmented coaching for IIT-JEE/NEET and Olympiads from Grade 6, covering nearly 75% of the competitive syllabus by Grade 10 to ensure our students are thoroughly prepared to excel in such examinations, while excelling in boards.

Augmented Curriculum Books

360° Development

Our commitment extends much beyond academics, emphasizing students well-rounded development. Along with fostering academic excellence, we focus on building analytical and visualisation skill, strong character, nurturing life skills, and ensuring the overall well-being of our students. Our programs & events include physical fitness, arts, and a range of extracurricular activities, providing all round, enriching, and comprehensive educational experience.

Curriculum Panel

Our distinguished Curriculum Panel comprises experts with extensive experience and notable achievements from leading institutions such as Narayana, Allen, Aakash, and PhysicsWallah. They overview the curriculum for early years to Year 12, ensuring alignment with JEE/NEET, and other competitive exams. With a proven track record in producing top rank holders in JEE/NEET, the team is geared up to provide our students with a differentiated and result oriented learning experience. These professionals consistently uphold high standards, tailoring the curriculum to the evolving needs of the industry.

Pedagogical Approach

Our pedagogy is built on expert faculty, rigorous systems, and personalized care. With highly qualified & trained teachers, including IIT and NIIT alumni, we bring deep subject expertise into every classroom. A structured schedule of homework, assessments, and regular evaluations ensures that progress is closely tracked, and challenges are addressed without delay.

We also provide extra and daily classes in key subjects vital for long-term success, ensuring students gain mastery where it matters most. Strict policies on homework and test completion keep students and parents aligned, while genuine personalized attention—beyond mere claims—supports every learner in reaching full potential.

Our Academic Programs

Pre - Primary
